REMINDER: TUTOR TUESDAYS AND USER FORUMS IN FULL SWING

Dont forget to take advantage of our exclusive veteran tutoring sessions. Every Tuesday morning and Thursday afternoon, meet with a veteran tutor, get your certification questions answered, and learn what other students are doing to better prepare for their certification exams. If you can't make the tutoring sessions, our discussion forums are a great source of information. You can browse past discussions or join current conversations. Either way you will be able to learn from veterans who are working toward certification. To access the discussion forum or for more information on Tutor Tuesday/Thursday, please visit the [Student Resource Center](#).
