

May 2017 Newsletter

This month we are going to focus on the great resources we have available to our students. As introduced earlier this year our top priority it to Improve Employability Every Day! The many resources we offer allow us to accomplish this. In our newsletter this month you will be reintroduced to our student forum, career service center, labs, and tutoring schedule. As always we want to congratulate all of you who earned certifications over the last thirty (30) days.

Stay in the Know with Our Student Resource Center

The [Student Resource Center](#) is the Gateway to all of the resources we have available. Be sure to check back often as we continually work to provide you with new and updated resources.

Tutor Tuesdays and User Forums in Full-Swing

Don't forget to take advantage of our exclusive veteran tutoring sessions. With six (6) different tutoring sessions offered weekly with our in-house tutors, you will get your certification questions answered, and learn what other students are doing to better prepare for their certification exams. ***See a complete list of tutoring sessions at the bottom of the email.***

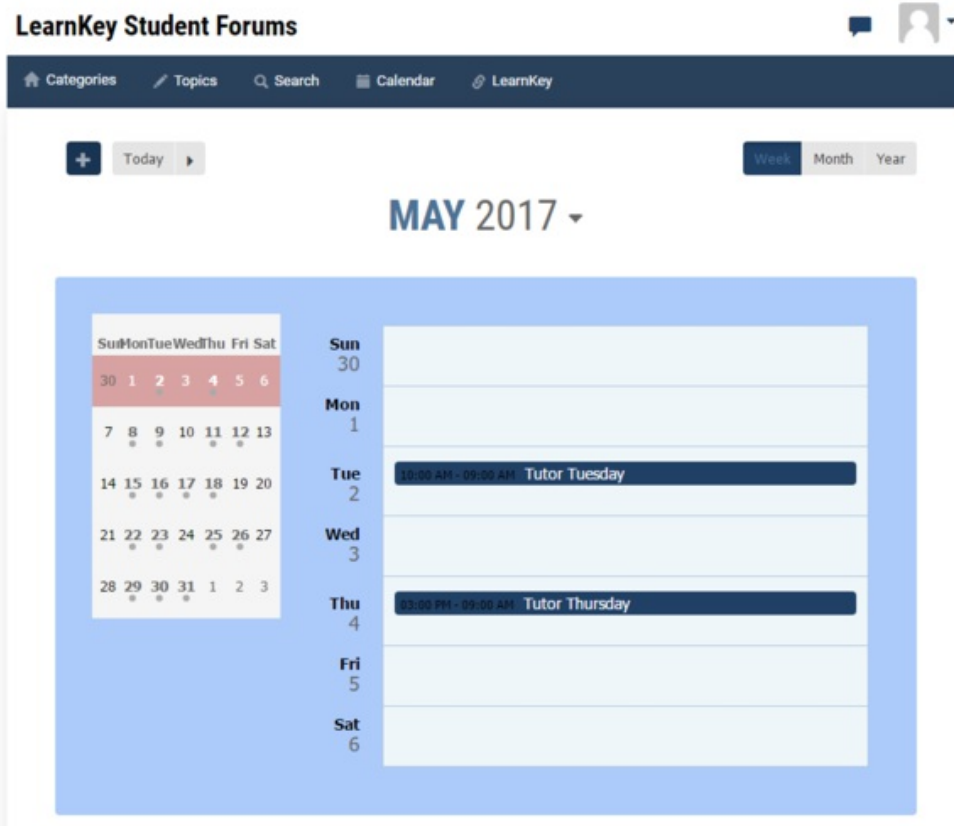

If you can't make the tutoring sessions, our discussion forums are a great source of information. You can browse past discussions or join current conversations. Either way you will be able to learn from veterans who are working toward certification.

New to our forum this month is our tutoring calendar. This calendar will list all of our scheduled tutoring sessions along with the access links and numbers. This is a great way to keep track of our tutoring sessions and to check and see if the date or time has been changed.

To access the discussion forums go to the Student Resource Center and [REGISTER NOW!](#)

LearnKey Student Facebook Forum

The purpose of the Facebook group is to provide a community for all of our students to use for their benefit. This is strictly a place to share resources, exam tips, hints, and best practices, along with an opportunity to network with fellow students. This is the perfect channel for those who have questions and are looking for some extra help, and for those who have achieved certifications to give back and help those following in their footsteps. Our programs are difficult to go through on your own, but if you are willing to ask for help, and willing to help out when you can, we will all find success through our collective experiences.

This is a closed forum. In order to join please [CLICK HERE](#) and request access to this page.

LearnKey Veteran Services Career Services

In an effort to help our students successfully manage the transition from military to civilian jobs we are pleased to launch our Career Services Center. The purpose of these services is to educate, assist, and guide veterans through the transition of military to civilian life. If you are in need of job hunting or resume help visit the [Career Services Center](#) today!

LearnKey's Blue Ocean Job Readiness Program

The new 2016 Blue Ocean offering is a highly specialized education and employment program with a very special benefit. We guarantee that each successful student will receive offers of employment after completing their program.

How does it work?

Once accepted into LKVS' Blue Ocean program and successfully completing all Blue Ocean education modules on time as set in the education timeline, students will be eligible for the Job Ready program with the focus of getting hired either locally or virtually by an approved employer and/or offered employment with LearnKey. Students who are enrolled in a Blue Ocean program interact with our Job Ready team throughout their time as a student with us. Emphasis is placed on:

- Creating a professional online presence
- Cleaning up the resume
- Addressing personal behaviors which may be seen as roadblocks to employment
- Reaching milestones through SMART goals
