

November 2017 Newsletter

We hope you are enjoying the beginning of holiday season. This month we are excited to feature the third installment of our Mastering the Job Interview series and introduce our new Programming Web Development Program! Also in this edition, we want to draw your attention to our tutoring schedule and list of additional study resources. As always, we want to congratulate all of you who earned certifications over the last 30 days.

New Programming Web Development Program Available!

LearnKey's Programming Web Development program is the ideal way to begin an exciting new code-based career. Each track is designed to take a student from entry level (or their existing skill set) to the professional level, through multiple certification programs with the latest software updates and techniques.

Training Courses:

- Introduction to Programming
- Microsoft MTA HTML5 Application Development
- Microsoft MCSA Programming in HTML5 with JavaScript and CSS3 Specialist
- Microsoft MCSA Developing ASP.NET MVC Web Applications
- Microsoft MCSA Programming in C#
- Microsoft MTA Introduction to Python
- Microsoft MTA Introduction to Touch Development

For additional details visit our [Programming and Development](#) bundle page.

Mastering the Job Interview: Common Interview Questions

When you are preparing for a job interview you should anticipate the type of questions that you may be asked. Below are some common questions that are asked in an interview. Honestly answer the questions below:

- **Tell me about yourself.**

Hint: This would be a great time to use your elevator speech

- **What do you know about our company?**

Hint: Tell something you discovered when researching the company

- **Why are you thinking about leaving your current job?**

Hint: Always use positive language

Additional Student Resources

Our top priority is to make sure that you are prepared to take your certification exams.

- [Student Resource Center](#) – The gateway for information regarding the additional resources we offer, including: student forum, Facebook forum, practice labs, and monthly newsletter.
- [Student Forums](#) – The forums will provide you with a space to share with other students your exam experiences, suggestions, as well as additional study tips and resources. If you have not registered for the forum **sign up now!**
- [Facebook Student Forum](#) – The purpose of this group is to provide a community for all our students to use for their benefit. This is strictly a place to share resources, exam tips, hints, and best practices, as well as network with fellow students.
- **Student Services Representative** – Last but not least, our job is to make sure you earn your certifications. We will make sure you have all of the resources you need to succeed. Never hesitate to call or email if you need anything. .

LearnKey Tutoring Sessions

We want to make sure everyone has access to our tutoring session information. We highly recommend that all of our students attend the sessions that correspond with the certification they are working on. See info below for all available sessions.

Microsoft Monday
