Certification 101

What does 101 represent for our students? We all know a heat wave of 101 degrees was not the February we experienced. But some of you may have see 101 inches of snow this winter.

We are thrilled to reveal that 101 represents the number of certifications our students have earned over the last 30 days. This is an all-time record and we are so proud of all of the hard work that has gone into these earned certifications.

Additional Resources: Applying for Exam Accommodations

Taking exams can be very challenging, and although you have mastered your course work, completing an exam in the allotted time can prove difficult for many. Fortunately, you can apply for exam accommodations and receive extra time.

Exam accommodations are granted for many reasons. Here are just a few: test anxiety, limited English-language ability, physical disabilities, ADHD, and many more. The process to apply for exam accommodations is very easy. Just follow the links below for information on the exam you are taking. Talk to your SSR for additional questions on accommodations.

- To apply for accommodations for Certiport (Microsoft Office 2016, MTA, Adobe exams):

- To apply for accommodations for Pearsonvue (CompTIA):
